Minutes for Selectboard Special Meeting

July 30, 2024

5:30pm at the Town Office

**Present were Timothy Bullard, Clayton Whittemore, Ricky Morin, Melissa Whitcomb,
Erica Webb**

1. Tim opened meeting at 5:32pm
2. Discussion on personnel; Clayton motioned to go into Executive Session per V.S.A § 313(3) to discuss personnel, Tim seconded, with all present invited to participate. Entered at 5:33pm and came out at 6:18pm with no decisions being made.

Erica is going to ask Pam Uhlendorff to attend the next meeting to give her input on LERA and how things are going overall.

Clayton has spoken to Ricky Machia about the hot water heater at the beach. Ricky recommends replacing the mixing valve in hopes that that was the reason for the leak back in the Spring. Melissa will contact Ricky and ask him to schedule the repair and let the beach staff know when he will be coming.

Erica asked again about the internet and Wifi at LERA, Tim told her at this point that it is what it is. His opinion is that there are just too many people using the Wifi at once for anyone to get a decent signal. We have already upgraded and have gone from 60mbps to 300mbps by switching to Comcast.

3. Clayton motioned to adjourn at 6:21pm, Ricky seconded, adjourned.
